From the pages of this extraordinary collection, King emerges not only as an advocate for global human rights but also as a towering figure who collaborated with Eleanor Roosevelt, Albert J. Luthuli, Thich Nhat Hanh, and other national and international figures in addressing a multitude of issues we still struggle with today—from racism, poverty, and war to religious bigotry and intolerance. Introduced and edited by distinguished King scholar Lewis Baldwin, this volume breaks new ground in our understanding of King.
