Extreme Sports: Super Useful Tips That You'll Love Dec 31 2019 Extreme sports like street lugging, skateboarding on rails and ramps, and snow boarding off nearly impossible jumps are hotter today than they have ever been before. The athletes who pursue these challenging activities often become as dedicated as Olympians and spend hours every day practicing and improving their technique in order to be able to enjoy the thrill that only making the perfect ollie or dropping a hill on a buttboard can bring. Extreme athletes often refer to the adrenaline rush of competing as being "amped," and many say that there is no other feeling in the world that is as satisfying. For most of these rough and tumble athletes, part of the appeal of extreme sports is the danger. Grab this ebook today to learn everything you need to know.

Texas Off-road Racing Apr 14 2021 HERE'S WHAT PEOPLE ARE SAYING ABOUT TEXAS OFF-ROAD RACING "Texas Off-road Racing is the best book I've ever read!" -Mike's mom "This book reminds me of The Fast and the Furious, but without the fast." -Mike's literary agent "OMG! You took our son off-road racing I thought you guys went fishing." -Mike's shocked wife In this thrilling and brutally honest book, seasoned amateur

competitor Mike Kowis reveals what off-road racing feels like from the driver's seat, plus how much time and money is required to compete in this harrowing motorsport. He also shares the gritty details of each side-by-side race that he and his teenage son (Cash) competed in during their run for the 2019 Championship. Whether you are a longtime off-road racer with ten titles to your name, a newbie competitor curious to learn about the sport, or a parent looking for exciting father-son activities to do together, this book will surely entertain and enlighten. By day, Mike Kowis, Esq., is a mild-mannered tax attorney at a Fortune 500 company in Texas. By night, he swaps a three-piece suit for a pair of tights and a shiny red cape and then begins his duties as a modern-day SUPERHERO (also known as "Adjunct Faculty Member") for one of the largest community colleges in the Lone Star State. In his spare time, he writes books and competes in off-road races with his kids. Mike lives in Texas with his wife and family. For more information, please visit www.mikekowis.com.

Epidemiology of Injury in Adventure and Extreme Sports Jul 06 2020 This book reviews the existing data on the frequency and distribution of injuries and the factors contributing to injuries in adventure and extreme sports. Further, it suggests injury prevention strategies and provides recommendations for future research. Providing the first comprehensive compilation of epidemiological data over a range of new age sports considered to be adventurous and extreme, this publication is also the first of its kind to track down all of the major literature associated with the topic. A uniform and evidence-based approach to organizing and interpreting the literature is used in all chapters. All of the sport-specific chapters are laid out with the same basic headings making it easier for the reader to find common information across chapters. Sports physicians, physical therapists, recreation managers, researchers, injury prevention specialists, the adventure and extreme sport industry, and the adventure and extreme sport participants themselves will find the book useful in identifying problem areas in which appropriate preventive measures can be initiated to reduce the risk and severity of injuries. They will also want to use the book as a source for future research related to injuries in adventure and extreme sports.

Off Road With Your ATV: A Guide for Beginners Jul 30 2022 Since the first ATV was introduced a few decades ago, the ATV has been extremely popular. An ATV is very exciting to ride, and the sense of freedom and exhilaration a rider feels is a major draw for repeat riders. ATVs are a sport that the entire family can enjoy. But more people are hurt every year riding ATVs than nearly any other recreational activity. If you are interested in taking part in this exciting activity, there are a few things you should know before you get started. Don't Go it Alone The first thing you should do is hit the back trails alongside someone who knows what they're doing. This could be a friend, an ATV safety instructor, or perhaps a relative that has been riding for some time. the important thing is that you truly

get to ride an ATV so you can see if you actually want to get one and to get yourself a feel for the machine.
