Bahnen ziehen Apr 04 2020 Mit dem Überraschungserfolg »Bedeutende Objekte und persönliche Besitzstücke aus der Sammlung von Lenore Doolan und Harold Morris, darunter Bücher, Mode und Schmuck« erfand Leanne Shapton auf spektakuläre Weise die Liebesgeschichte neu. »Bahnen ziehen« ist ihre Liebeserklärung an das Schwimmen. Und wieder beschreitet sie neue Wege des Erzählens – in Wort und Bild. Der Geruch von Chlor durchweht dieses Buch, die Rufe des Trainers hallen darin wider. Junge Menschen auf dem Sprung zum großen Traum: Teil des olympischen Schwimmteams zu werden. Selbst jenseits des Beckens noch ist ihr Leben, sind ihre Gespräche und Träume, ihre Essgewohnheiten und Liebesbeziehungen geprägt vom Rhythmus des Trainings und ihren sportlichen Ambitionen. Doch wo hat die Faszination für das Schwimmen ihren Ursprung? In den Kinderbüchern? Den Familienausflügen ans Meer? Und was ist heute, wo ganz andere Dinge ihr Leben bestimmen, von dieser Faszination noch übrig? Leanne Shapton, damals selbst Teil der Schwimmmannschaft, geht diesen Fragen nach – Bahn um Bahn. So ist aus sehr persönlichen Momentaufnahmen zwischen Selbstdisziplin und Selbstfindung ein eindringliches, unmittelbares Panorama des Erwachsenwerdens entstanden. - Mit zahlreichen farbigen Illustrationen und Fotos

All Out Apr 16 2021 Can a man with a demanding job really be a good father? All Out is a bracingly honest answer from Emmy and Gemini Award-winning anchorman Kevin Newman and his grown son, Alex. Confessional and provocative, their memoir is also a touching meditation on ambition, absence and family that will resonate with every parent and child who've ever struggled to connect and understand each other. Kevin Newman wanted to be a family man in an era when fathers are expected to be more engaged than ever before; he also wanted to reach the top of a profession that demands 24/7 commitment. The higher he climbed, the more irreconcilable those aspirations seemed. Meanwhile, his artistic, solitary son, Alex, was wrestling with his own competing ambitions: to be the sporty, popular son his dad wanted, and to be true to himself. Paradoxically, their attempts to live up to expectations--their own, and each other's--were driving them apart. Then, two parallel identity crises forced a reckoning. Kevin reached the summit of American network television, becoming co-host of Good Morning America--where he was instructed to develop a "quarterback" persona and change his accent, mannerisms, personality, hairstyle and everything else that made him Kevin. At the same time, Alex was realizing he was gay, but frantically trying to mask and change that fact. Both felt like failures and hungered for one another's approval, but didn't know how to bridge their differences. Today, a decade later, they retrace their steps (and missteps) to reinventing their relationship and becoming one another's role models for what it means to be a man in our culture. All Out is a moving chronicle of all the ways that fathers and sons misunderstand and disappoint one another--and a powerful reminder that they can become closer not despite their differences, but because of them.

Sport Tourism Destinations Oct 23 2021 Few forces in contemporary society influence the fortunes of tourism destinations more immediately than sport. From football fans to kayaking, *Sports Tourism Destinations: issues, opportunities and analysis* examines the planning, development and management of sport tourism destinations. With contributions from international experts, this book looks at the dramatic effects sports tourism has on the economy and future of tourism destinations. Divided into four parts, the book systematically covers: Sports tourism destination analysis: applies principles of destination resource analysis to the study of sport tourism destinations Destination planning and development: illustrates the mutually beneficial links between sport, tourism and destination planning. Destination marketing and management: explores theoretical and applied aspects of sport tourism destination marketing and management Sport tourism impacts and environments: identifies and discusses critical issues of sustainable development at sport tourism destinations Practical case studies in each chapter illustrate and highlight the links between sport tourism theory and practice, making this book a vital resource for lecturers and students alike.

Swimming Studies Sep 21 2021 Winner of the 2012 National Book Critics Circle Award, *Autobiography Swimming Studies* is a brilliantly original, meditative memoir that explores the worlds of competitive and recreational swimming. From her training for the Olympic trials as a teenager to enjoying pools and beaches around the world as an adult, Leanne Shapton offers a fascinating glimpse into the private, often solitary, realm of swimming. Her spare and elegant writing reveals an intimate narrative of suburban adolescence, spent underwater in a discipline that continues to inspire Shapton's work as an artist and author. Her illustrations throughout the book offer an intuitive perspective on the landscapes and imagery of the sport. Shapton's emphasis is on the smaller moments of athletic pursuit rather than its triumphs. For the accomplished athlete, aspiring amateur, or habitual practicer, this remarkable work of written and visual sketches propels the reader through a beautifully personal and universally appealing exercise in reflection.

The Poconos Aug 28 2019 Covering parts of six Pennsylvania counties--Monroe, Pike, southern Wayne and Lackawanna, northeastern Carbon, and eastern Luzerne --this book celebrates the Pocono Mountains region: its majestic beauty and history. Nearly 400 images pay homage to the scenic landscape that inspired vacationing families and tourists to escape hot summers in the city for rafting, canoeing, and kayaking while taking advantage of its mountains and plateaus in the winter for some skiing, snowshoeing, and ice-skating. The book also blends the art and culture of the region by showcasing the architecture, attractions, and historical sites of the surrounding counties. There are museums, historical courthouses and homesteads, state parks, nature sanctuaries, waterfalls, foliage, wildlife, and breath-taking vistas. For more than 150 years, visitors have been drawn to vacation and retire in the Poconos. See for yourself one of the most beautiful, interesting, and spectacular places in the United States.
