No Police Like Holmes (McCabe and Cody Book 1) Sep 30 2019 Fully revised 2nd edition - The Investigating Arthur Conan Doyle and Sherlock Holmes Colloquium and donation of the third largest private collection of Sherlockiana in the world were supposed to produce a weekend of great publicity for tiny St. Benignus college in Erin, Ohio. But when theft and murder come to campus, college public relations director Jeff Cody finds himself knee-deep in Sherlockian suspects, besieged by an aggressive reporter he loves but no longer dates, and competing with his eccentric brother-in-law, Sebastian McCabe, to solve the crimes first. The mess worsens when Jeff and his ex-girlfriend, Lynda Teal, themselves fall under suspicion of murder - and with good reason, for they have something to hide. This satirical romp takes Sherlock Holmes seriously, but not Holmesians. A witty and engaging spoof sure to delight not only the deerstalker set but mystery fans in general.

Sherlock Holmes Is Like: Sixty Comparisons for an Incomparable Character Aug 22 2021 What do Superman, Gertrude Stein, the Beatles, Lord Shiva, the Wizard of Oz, and Hermione Granger have in common? They share essential characteristics with iconic detective Sherlock Holmes, explored in Sherlock Holmes Is Like: Sixty Comparisons for an Incomparable Character. In his introduction, editor Christopher Redmond says "The essays in this collection are not an analysis of what Sherlock Holmes is like (brilliant, unsociable, hawk-nosed) but rather case studies of whom he can be said to be like. Their sixty suggestions range across centuries and continents, and include figures from belief and legend as well as from contemporary fiction and film. Some are household names, while others will be unknown to nearly all readers. In each case, while the author has been encouraged to provide an introduction to the character in question, the ultimate purpose of the comparison is to shed light on some aspect of the character of Sherlock Holmes, whose complexities are far from exhausted more than 130 years after he was introduced to a curious readership."

Enola Holmes is the much younger sister of her more famous brothers, Sherlock and Mycroft. But she has all the wits, skills, and sleuthing inclinations of them both. At fifteen, she's an independent young woman--after all, her name spelled backwards reads 'alone'--and living on her own in London. When a young professional woman, Miss Letitia Glover, shows up on Sherlock's doorstep, desperate to learn more about the fate of her twin sister, it is Enola who steps up. It seems her sister, the former Felicity Glover, married the Earl of Dunhench and per a curt note from the Earl, has died. But Letitia Glover is convinced this isn't the truth, that she'd know--she'd feel--if her twin had died. The Earl's note is suspiciously vague and the death certificate is even more dubious, signed it seems by a John H. Watson, M.D. (who denies any knowledge of such). The only way forward is for Enola to go undercover--or so Enola decides at the vehement objection of her brother. And she soon finds out that this is not the first of the Earl's wives to die suddenly and vaguely--and that the secret to the fate of the missing Felicity is tied to a mysterious black barouche that arrived at the Earl's home in the middle of the night. To uncover the secrets held tightly within the Earl's hall, Enola is going to require help--from Sherlock, from the twin sister of the missing woman, and from an old friend, the young Viscount Tewkesbury, Marquess of Basilwether!
