Thus begins Merivel’s journey to self-knowledge, which will take him down into the lowest depths of seventeenth-century society.

[Ariel: The Restored Edition](#) Nov 05 2022 Sylvia Plath's famous collection, as she intended it. When Sylvia Plath died, she not only left behind a prolific life but also her unpublished literary masterpiece, *Ariel*. When her husband, Ted Hughes, first brought this collection to life, it garnered worldwide acclaim, though it wasn't the draft Sylvia had wanted her readers to see. This facsimile edition restores, for the first time, Plath's original manuscript -- including handwritten notes -- and her own selection and arrangement of poems. This edition also includes in facsimile the complete working drafts of her poem "Ariel," which provide a rare glimpse into the creative process of a beloved writer. This publication introduces a truer version of Plath's works, and will no doubt alter her legacy forever. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

[A Star Is Born](#) Nov 12 2020 (Applause Books). "There is no book about Hollywood as riveting as this documentary." - Allan Carr, *Vanity Fair* There is no question that the 1954 version of *A STAR IS BORN* holds a special place in the pantheon of classic movies. It was director George Cukor's first foray into musicals, his first color film, and it was, without a doubt, Judy Garland's greatest screen performance. With incredible detail and color, Ronald Haver gives us the fascinating story of the making, marketing and restoration of this groundbreaking classic. Here is how producer Sid Luft orchestrated the deal for his wife, how Cukor was selected to direct, how James Mason was cast to co-star and how Moss Hart's script was developed. Here are the myriad technical problems, the clashes of personalities and the shocking emotional ups and downs of the film's star. Here, finally, is the author's own mission to restore the film to its original length and glory in the 1980s.

[Hemingway on War](#) Jul 09 2020 Ernest Hemingway witnessed many of the seminal conflicts of the twentieth century—from his post as a Red Cross ambulance driver during World War I to his nearly twenty-five years as a war correspondent for *The Toronto Star*—and he recorded them with matchless power. This landmark volume brings together Hemingway's most important and timeless writings about the nature of human combat. Passages from his beloved World War I novel, *A Farewell to Arms*, and *For Whom the Bell Tolls*, about the Spanish Civil War, offer an unparalleled portrayal of the physical and psychological impact of war and its aftermath. Selections from *Across the River and into the Trees* vividly evoke an emotionally scarred career soldier in the twilight of life as he reflects on the nature of war. Classic short stories, such as "In Another Country" and "The Butterfly and the Tank," stand alongside excerpts from Hemingway's first book of short stories, *In Our Time*, and his only full-length play, *The Fifth Column*. With captivating selections from Hemingway's journalism—from his coverage of the Greco-Turkish War of 1919–22 to a legendary early interview with Mussolini to his jolting eyewitness account of the Allied invasion of Normandy on June 6, 1944—*Hemingway on War* collects the author's most penetrating chronicles of perseverance and defeat, courage and fear, and love and loss in the midst of modern warfare.

[Letters of Sylvia Plath Volume II](#) Jan 15 2021 Sylvia Plath (1932-1963) was one of the writers who defined the course of twentieth-century poetry. In the *Letters*, we discover the art of Plath's correspondence. Most has never before been published, and it is here presented unabridged, without revision, so that she speaks directly in her own words. The letters document Plath's extraordinary literary development: the genesis of many poems, short and long fiction, and journalism. Leading Plath scholars Peter K. Steinberg and Karen V. Kukil, editor of *The Journals of Sylvia Plath 1950-1962*, provide comprehensive footnotes and an extensive index informed by their meticulous research. Alongside a selection of photographs and Plath's own drawings, they masterfully contextualise what the pages disclose. This later correspondence

witnesses Plath and Hughes becoming major, influential contemporary writers, as it happened. Experiences recorded include first books and other publications; teaching; committing to writing full-time; travels; making professional acquaintances; settling in England; starting a family; and buying a house. Throughout, Plath's voice is completely, uniquely her own.

The Ticket That Exploded Nov 24 2021 In *The Ticket That Exploded*, William S. Burroughs's grand "cut-up" trilogy that starts with *The Soft Machine* and continues through *Nova Express* reaches its climax as inspector Lee and the Nova Police engage the Nova Mob in a decisive battle for the planet. Only Burroughs could make such a nightmare vision of scientists and combat troops, of ad men and con men whose deceitful language has spread like an incurable disease be at once so frightening and so enthralling.

I Am Restored Dec 14 2020 When the challenges you've faced threaten to destroy your life, how do you find your way back to the truths you thought you believed? *I Am Restored* tells the untold story of how Lecrae's past nearly ruined his future--until he learned that the wounds we carry can have the potential to be unlikely guides to healing and freedom for ourselves and others. Throughout *I Am Restored*, Lecrae documents the shattering yet hopeful story of how he faced the scars of his past--sexual abuse, physical trauma, addiction, and depression--and emerged more fully human than ever before. With remarkable transparency and vulnerability, Lecrae reveals that at the height of his professional success, his life was spinning out of control, driven by a past that he had never confronted and a religious perspective that was incapable of meeting the challenge. *I Am Restored* takes an unflinching look at the personal and public spaces that are too often at the societal core of our pain and heartache--culture, politics, family, church, and more--and teaches us that forgiveness can be the birthplace of the life that God has created for us. Throughout this powerful, deeply personal account, Lecrae shares the life lessons he's learned about: Confronting the pain and trauma that has shaped your story Breaking the cycle of sin and shame and embracing joy and authenticity Finding hope and healing in the midst of chaos The simple practices that can change your mental, emotional, and spiritual health Leading a life that's bursting with creativity and true freedom *I Am Restored* is a hopeful, inspiring charge to start your journey to lasting healing today. No matter what your past has held, God is near you, he hears you, and he's not done writing your story.

Guantánamo Diary Mar 17 2021 The acclaimed national bestseller, the first and only diary written by a Guantánamo detainee during his imprisonment, now with previously censored material restored. When GUANTÁNAMO DIARY was first published--heavily redacted by the U.S. government--in 2015, Mohamedou Ould Slahi was still imprisoned at the detainee camp in Guantánamo Bay, Cuba, despite a federal court ruling ordering his release, and it was unclear when or if he would ever see freedom. In October 2016, he was finally released and reunited with his family. During his 14-year imprisonment, the United States never charged him with a crime. Now for the first time, he is able to tell his story in full, with previously censored material restored. This searing diary is not merely a vivid record of a miscarriage of justice, but a deeply personal memoir--terrifying, darkly humorous, and surprisingly gracious. GUANTÁNAMO DIARY is a document of immense emotional power and historical importance.

Ecological Restoration Oct 24 2021 The field of ecological restoration is a rapidly growing discipline that encompasses a wide range of activities and brings together practitioners and theoreticians from a variety of backgrounds and perspectives, ranging from volunteer backyard restorationists to highly trained academic scientists and professional consultants. *Ecological Restoration* offers for the first time a unified vision of ecological restoration as a field of study, one that clearly states the discipline's precepts and emphasizes issues of importance to those involved at all levels. In a lively, personal fashion, the authors discuss scientific and practical aspects of the field as well as the human needs and values that motivate practitioners. The book: -identifies fundamental concepts upon which restoration is based -considers the principles of restoration practice -explores the diverse values that are fulfilled with the restoration of ecosystems -reviews the structure of restoration practice, including the various contexts for restoration work, the professional development of its practitioners, and the relationships of restoration with allied fields and activities A unique feature of the book is the inclusion of eight "virtual field trips," short photo essays of project sites around the world that illustrate various points made in the book and are "led" by those who were intimately involved with the project described. Throughout, ecological restoration is conceived as a holistic endeavor, one that addresses issues of ecological degradation, biodiversity loss, and sustainability science simultaneously, and draws upon cultural resources and local skills and knowledge in restoration work.

Hemingway on Fishing Mar 05 2020 From childhood on, Ernest Hemingway was a passionate fisherman. He fished the lakes and creeks near the family's summer home at Walloon Lake, Michigan, and his first stories and pieces of journalism were often about his favorite sport. Here, collected for the first time in one volume, are all of his great writings about the many kinds of fishing he did—from angling for trout in the rivers of northern Michigan to fishing for marlin in the Gulf Stream. In *A Moveable Feast*, Hemingway speaks of sitting in a café in Paris and writing about what he knew best—and when it came time to stop, he "did not want to leave the river." The story was the unforgettable classic "Big Two-Hearted River," and from its first words we do not want to leave the river either. He also wrote articles for *The Toronto Star* on fishing in Canada and Europe and, later, articles for *Esquire* about his growing passion for big-game fishing. Two of his last books, *The Old Man and the Sea* and *Islands in the Stream*, celebrate his vast knowledge of the ocean and his affection for its great denizens. *Hemingway on Fishing* is an encompassing, diverse, and fascinating assemblage. From the early Nick Adams stories and the memorable chapters on fishing the Irati River in *The Sun Also Rises* to such late novels as *Islands in the Stream*, this collection traces the evolution of a great writer's passion, the range of his interests, and the sure use he made of fishing, transforming it into the stuff of great literature. Anglers and lovers of great writing alike will welcome this important collection.

Johnny Panic and the Bible of Dreams May 19 2021 "What I fear most, I think, is the death of the imagination. . . . If I sit still and don't do anything, the world goes on beating like a slack drum, without meaning. We must be moving, working, making dreams to run toward; The poverty of life without dreams is too horrible to imagine." — Sylvia Plath, "Cambridge Notes" (From *Notebooks*, February 1956) Renowned for her poetry, Sylvia Plath was also a brilliant writer of prose. This collection of short stories, essays, and diary excerpts highlights her fierce concentration on craft, the vitality of her intelligence, and the yearnings of her imagination. Featuring an introduction by Plath's husband, the late British poet Ted Hughes, these writings also reflect themes and images she would fully realize in her poetry. *Johnny Panic and the Bible of Dreams* truly showcases the talent and genius of Sylvia Plath.

Mary Ventura and The Ninth Kingdom Feb 13 2021 "[Plath's] story is stirring, in sneaky, unexpected ways. . . . Look carefully and there's a new angle here — on how, and why, we read Plath today." — Parul Sehgal, *New York Times* Never before published, this newly discovered story by literary legend Sylvia Plath stands on its own and is remarkable for its symbolic, allegorical approach to a young woman's rebellion against convention and forceful taking control of her own life. Written while Sylvia Plath was a student at Smith College in 1952, *Mary Ventura and The Ninth Kingdom* tells the story of a young woman's fateful train journey. Lips the color of blood, the sun an unprecedented orange, train wheels that sound like "guilt, and guilt, and guilt": these are just some of the things Mary Ventura begins to notice on her journey to the ninth kingdom. "But what is the ninth kingdom?" she asks a kind-seeming lady in her carriage. "It is the kingdom of the frozen will," comes the reply. "There is no going back." Sylvia Plath's strange, dark tale of female agency and independence, written not long after she herself left home, grapples with mortality in motion.
