[The Eclipse of Heaven](#) Dec 25 2021 "We live in a World no longer under heaven. At least in most people's minds and imaginations that vision of reality has become little more than a caricature, conjuring up the saints and angels of baroque frescoes. And in the church only a hint remains of the power it once exercised in the hearts of believers". So begins A. J. Conyers in this provocative book, and suggests that the eclipse of heaven has resulted in a shallower view of life and death, in a loss of cultural and individual purpose, and in moral disarray. This is a powerful, persuasive plea to stop blocking heaven from our sight, and so to regain hope, meaning, and richer lives -- in this world and the one to come.

[The Book of Heaven](#) Nov 04 2022 From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if "a woman's point of view" were also God's? Patricia Storace's *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

[The Book of Heaven](#) Mar 28 2022 This book is about much more than autism, loss, or decades of unimaginable trauma. It is the story of a mom who decided to give up on suffering and learn to believe in miracles and the goodness of God when there was no identifiable reason to do so. The reward was greater than she could have imagined. After over two decades of being trapped in his body, her son began to communicate. He shared in great detail the misconceptions about his intelligence and lack of ability to control his motor. But that was only part of it. His incredible brain was actually taking in the entire physical and metaphysical world. He could see, hear, smell, and feel the spiritual world. He describes in detail the glory of God and the wonder of heaven and the battle that wages all around us. His mission from God was simple, to be His herald and tell the world who He is and how He is love, and how much He longs for us to believe in Him.

[With the Clouds of Heaven](#) May 30 2022 Perceiving a hole in evangelical biblical theology that should be filled with a robust treatment of the book of Daniel, James Hamilton delves into the book's rich contribution to the Bible's unfolding redemptive-historical storyline. This *New Studies in Biblical Theology* volume addresses key questions and examines the literary structure, visions, heavenly beings and typological patterns.

[Imagine Heaven](#) Aug 09 2020 It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

[The BOOK of HEAVEN](#) Apr 28 2022 It is a glorious and magnificent blessing to share this Heavenly message with you. This is the third book that has been written in a similar way, as Divine messages were received by me to share with you and the World. The first book is called "The Book of Love". The second is called "The Book of Light". And this book is "The Book of Heaven". Let me share the story of how these books came to be... On October 31, 2020, while staying in Angel Valley near Sedona, Arizona, I met a group of women on a retreat who seemed very familiar to me even though I had just met them. One of them mentioned that she heard of a book called "The Book of Love... by Jesus." Since I love Jesus I said, "That sounds amazing! Where can I get that book?" She said, "I heard the book got destroyed or removed from the Alexandria Library." Intrigued, I asked, "So, have you read it?" She said, "No." Then I asked, "Do you know where I can get it?" She answered, "No." But after a few seconds she said, "But if you want it you'll find it." At that point, I remember thinking to myself "Jesus...I want that book!" The following morning, I was in my cabin preparing for the day and I heard a gentle voice in my mind say... "The Book of Love... by Jesus the Christ... Channeled by Daniel Prok... My Beloved... It is with great Love that I share these ideas with you..." I had a sense that it was a message

of great importance so I grabbed my microphone to record it. I closed my eyes, and took deep breaths to clear my mind, and as the words dropped into my mind I spoke the words out loud. It was as though I was reading a speech that was written by Jesus. And forty minutes later the initial message was complete. I sat there for several minutes in what felt like a glowing ball of loving energy. My body and everything around me looked and felt radiant. Then "Chapter 2" started to load into my mind. So, I continued the process and "downloaded" the full audio of "The Book of Love". A few weeks later, back in Sedona, the words of "The Book of Light" dropped into my mind in a similar way. And about two months after that while back at my home in La Jolla, California, "The Book of Heaven" was received. These books are written to connect you to Your Divinity and help you create what God has always intended for your life to be. A Glorious and Magnificent Masterpiece where you are so connected to God in all aspects of Yourself that you transcend the discordant conditioning that you have received in your life, and you create Heaven on Earth for yourself and for all of Humanity. "But how do we know that it's Jesus?", you may ask. I know from the way the messages came into my mind and then through my Heart and Soul. The warmth of the Loving energy of Jesus is beyond anything I have felt in my human form. Also, the words of these books are so Divinely stated that it is beyond me to come up with something this magnificent! As for you, you will have a knowing as you read the words. Feel them with your Heart and Soul. Feel them with the depths of your Being. You will know. In addition, if you want to see further evidence of how these messages are received through me, find my YouTube channel under Daniel Prok. There you will find a series of videos where I filmed myself channeling the chapters of "The Book of Heaven". And when you watch those videos you will see how the messages come through me. They are not messages that my human mind has constructed, they are messages that have come through me from a Higher Power! "The Book of Heaven" will bless you as you read it and fortify your connection to God, as your Human Self and God Self are Unified as ONE SELF. Daniel Prok

An ancient gospel written by the Jewish prophet Jesus paints a different view of Christ than the Bible and is about to be revealed to a doubting world. Is the manuscript genuine? Heaven on Earth Jan 14 2021 Much of the literature on the book of Revelation paints a frightening apocalyptic vision of the end times. Michael Battle offers an alternative look at Revelation in this new work, seeing it instead as a hopeful call to bring heaven on earth. Battle explores the problematic imagery found in Revelation before showing how similar problems play out in our contemporary world. Battle sees Revelation as a guide that shows us that we can live out God's call for heaven on earth by living in community with one another, as exhibited through the writings of Martin Luther King Jr., Desmond Tutu, Rowan Williams, and Ubuntu theology. He writes, "I seek to imagine in my particular Christian context how a view of heaven need not lead to culture wars and further excuses for oppressing others. Heaven, as envisioned by John of Patmos, has much greater purpose.â€

Under the Banner of Heaven Sep 02 2022 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

The Early History of Heaven Nov 23 2021 When we think of "heaven," we generally conjure up positive, blissful images. Heaven is, after all, where God is and where good people go after death to receive their reward. But how and why did Western cultures come to imagine the heavenly realm in such terms? Why is heaven usually thought to be "up there," far beyond the visible sky? And what is the source of the idea that the post mortem abode of the righteous is in this heavenly realm with God? Seeking to discover the roots of these familiar notions, this volume traces the backgrounds, origin, and development of early Jewish and Christian speculation about the heavenly realm -- where it is, what it looks like, and who its inhabitants are. Wright begins his study with an examination of the beliefs of ancient Israel's neighbors Egypt and Mesopotamia, reconstructing the intellectual context in which the earliest biblical images of heaven arose. A detailed analysis of the Hebrew biblical texts themselves then reveals that the Israelites were deeply influenced by images drawn from the surrounding cultures. Wright goes on to examine Persian and Greco-Roman beliefs, thus setting the stage for his consideration of early Jewish and Christian images, which he shows to have been formed in the struggle to integrate traditional biblical imagery with the newer Hellenistic ideas about the cosmos. In a final chapter Wright offers a brief survey of how later Jewish, Christian, and Islamic traditions envisioned the heavenly realms. Accessible to a wide range of readers, this provocative book will interest anyone who is curious about the origins of this extraordinarily pervasive and influential idea.
