**You Only Love Twice** Sep 07 2020 Bestselling author Elizabeth Thornton triumphs with this thrilling blend of sensuous historical romance and heart-stopping suspense. For three years she's been a mystery even to herself—a young woman who awoke in a London convent bereft of her memory. But now Jessica Hayward knows her name, her birthplace, and one other thing: By some terrifying twist of fate, she has the power to read another's thoughts—the thoughts of a man who has killed and will kill again. Convinced that she must unmask the murderer before it's too late, Jessica goes home to Hawkshill Manor—and discovers that no one is happy about her return, especially the dangerously handsome earl Lucas Wilde. What kind of girl was she, Jessica wonders, to have earned such scorn? And whose murder is it that continues to haunt her? The deeper Jessica digs, the more scandalous details are revealed. Yet even as the clues point to Lucas as the killer, Jessica can't keep herself away from his embrace. And now all she can do is pray that the man she's falling in love with isn't the man whose deadly voice she hears in her dreams.

**Doing Agile Right** Jun 16 2021 Agile has the power to transform work--but only if it's implemented the right way. For decades business leaders have been painfully aware of a huge chasm: They aspire to create nimble, flexible enterprises. But their day-to-day reality is silos, sluggish processes, and stalled innovation. Today, agile is hailed as the essential bridge across this chasm, with the potential to transform a company and catapult it to the

head of the pack. Not so fast. In this clear-eyed, indispensable book, Bain & Company thought leader Darrell Rigby and his colleagues Sarah Elk and Steve Berez provide a much-needed reality check. They dispel the myths and misconceptions that have accompanied agile's rise to prominence--the idea that it can reshape an organization all at once, for instance, or that it should be used in every function and for all types of work. They illustrate that agile teams can indeed be powerful, making people's jobs more rewarding and turbocharging innovation, but such results are possible only if the method is fully understood and implemented the right way. The key, they argue, is balance. Every organization must optimize and tightly control some of its operations, and at the same time innovate. Agile, done well, enables vigorous innovation without sacrificing the efficiency and reliability essential to traditional operations. The authors break down how agile really works, show what not to do, and explain the crucial importance of scaling agile properly in order to reap its full benefit. They then lay out a road map for leading the transition to a truly agile enterprise. Agile isn't a goal in itself; it's a means to becoming a high-performance operation. *Doing Agile Right* is a must-have guide for any company trying to make the transition--or trying to sustain high agility.

Twice Tempted Apr 02 2020 Dating the Prince of Darkness has its challenges . . . Leila's psychic abilities have been failing her, and now she isn't sure what the future holds. If that weren't enough, her lover Vlad has been acting distant. Though Leila is a mere mortal, she's also a modern woman who refuses to accept the cold shoulder treatment forever—especially from the darkly handsome vampire who still won't admit that he loves her . . . Like choosing between eternal love and a loveless eternity . . . Soon circumstances send Leila back to the carnival circuit, where tragedy strikes. And when she finds herself in the crosshairs of a killer who may be closer than she realizes, Leila must decide who to trust—the fiery vampire who arouses her passions like no other or the tortured knight who longs to be more than a friend? With danger stalking her every step of the way, all it takes is one wrong move to damn her for eternity . . .

*The Alchemist* Jul 26 2019 "My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. *The Alchemist* is such a book. With over a million and a half copies sold around the world, *The Alchemist* has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. *The Alchemist* is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

**Twice in a Blue Moon** Mar 26 2022 From the New York Times bestselling author of *The Unhoneymooners* and the “delectable, moving” (Entertainment Weekly) *My Favorite Half-Night Stand* comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones's first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world's biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he's the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who

betrayed her, Tate must ask herself if it's possible to do the wrong thing for the right reason... and whether "once in a lifetime" can come around twice. With Christina Lauren's signature "beautifully written and remarkably compelling" (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.

**What's Your Message?** Jul 06 2020 The end of Public Speaking as we know it! There are three things that make a great speech: 1) Message 2) Structure and 3) Connection with the audience. This book shows you how to master all three, and dissolve your public speaking anxiety - effortlessly. What's the key measure of success for a business presentation? A Vivid Message.

**The Scrum Fieldbook** Jan 12 2021 Based on years of work in the field with scores of companies, including Bosch, 3M, Schlumberger, and Rio Tinto, *The Scrum Fieldbook* delivers a hands-on, practical approach to rapidly delivering value for companies and organizations. Scrum is the secret weapon behind some of today's most successful companies. Businesses like Google, Facebook, Amazon, and Apple use Scrum to drive incredibly fast innovation, laser focus on customers, and continuous improvement, and to decrease decision times in order to reshape the world. Scrum is the most utilized Agile framework. In recent years, its use has exploded across the corporate world, far beyond its software and technology roots. J. J. Sutherland and the team at Scrum Inc. have dramatically improved performance at global banks, utility providers, medical device manufacturers, mining giants, and firms on the cutting edge of genetic science. Scrum has helped companies large and small thrive in the age of disruption. In Sutherland's first book, the national bestseller *Scrum: The Art of Doing Twice the Work in Half the Time*, coauthored with his father, Jeff, the co-creator of Scrum, he laid out the Scrum framework used by almost all of today's leading technology companies. In *The Scrum Fieldbook*, he draws on his firm's extensive experience in the field to take leaders, managers, and employees deeper into the specific challenges and new opportunities organizations face in an Agile transformation. He shows how the Scrum framework can be successfully applied to any project in any industry, from automobile manufacturers in the U.S. and Europe to nonprofits in Africa, from home renovation contractors in Minnesota to gas exploration companies in South America, from fighter plane builders in Sweden to U.S. Navy Special Forces teams in regions of the world we can't mention.

**Half the Size, But Twice the Life** Dec 23 2021 Once You Reach the Goals My Weekly Calorie Count for Average Eating Amount; A Guide to Food Swaps; Bad Cravings and What Your Body Actually Wants

**Guidelines for the Psychosocially Assisted Pharmacological Treatment of Opioid Dependence** Aug 26 2019 "These guidelines were produced by the World Health Organization (WHO), Department of Mental Health and Substance Abuse, in collaboration with the United Nations Office on Drugs and Crime (UNODC) a Guidelines Development Group of technical experts, and in consultation with the International Narcotics Control Board (INCB) secretariat and other WHO departments. WHO also wishes to acknowledge the financial contribution of UNODC and the Joint United Nations Programme on HIV/AIDS (UNAIDS) to this project. " - p. iv

**The Wizards of Once: Twice Magic** Oct 28 2019 The No.1 bestselling series from current Waterstones Children's Laureate and author of *How To Train Your Dragon*, Cressida Cowell. Together they can save the Wildwoods from the curse of the Witches but they are separated by the highest wall imaginable, and time is running out ... It was unlikely that these heroes should meet in the first place. Is it possible they are destined to meet TWICE? 'A rollercoaster of suspense and surprise' GUARDIAN 'Cowell is moving towards national treasure' BIG ISSUE 'Another coup from Cowell' SUNDAY TIMES

*Once Upon a Twice* Jul 30 2022 Presents a cautionary tale for mice that is written in nonsense verse.

*Half the Mother, Twice the Love* Apr 26 2022 As a talk-show host and inspirational speaker, Mother Love used to have to just grin and bear it -- all that extra weight and the poor health that went along with it. Today she can truly smile as she serves up sound advice with big portions of humor in her new book about better living and good health that can turn your life around just like it did hers. *Half the Mother, Twice the Love* tells about the major weight loss Mother Love achieved over the last three years to reverse the decline in her health and regain control over her life. She went from size 22 to size 10 using a multitiered approach that included exercise, diet, and other lifestyle adjustments, and all her secrets are here in this informative and uplifting book. *Half the Mother, Twice the Love* speaks to everyone who wants the good life without the bad habits that can make us tired, overweight, and eventually ruin our health. Part memoir and part self-help, this book teaches you how to learn from the mistakes which almost cost Mother Love her life. In the end, she may be half the woman she used to be, but she can give twice as much love as ever.

**The Beauty of Living Twice** Apr 14 2021 NEW YORK TIMES BEST SELLER • Sharon Stone tells her own story: a journey of healing, love, and purpose. • “Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —O, The Oprah Magazine Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn't accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family's reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it's those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it's a celebration of women's strength and resilience, a reckoning, and a call to activism. It is proof that it's never too late to raise your voice and speak out.

**The House That Cleans Itself** Jan 24 2022 The ultimate guide for the housekeeping-impaired! Bestselling author Mindy Starns Clark delves into the reasons behind chronic messiness and helps you find the permanent solution you've been looking for. Using “horizontal thinking,” Mindy will teach you how to set up your home so efficiently and logically that it seems to clean itself. Learn... how to keep the house twice as clean in half the time how a stepladder, a camera, and a stopwatch will help you get started how to change a messy area into a tidy one—permanently how to anticipate and prevent messes before they happen how to get the family on board in this new process Also included are tips, strategies, and ideas from hundreds of her readers. More than a how-to book, *The House That Cleans Itself* looks at what God has to say about cleanliness and order, and how He can inspire order in your life in a fresh and unique way.

[Darn Easy: Work Half as Hard, Earn Twice as Much, While Living the Life of Your Dreams](#) Aug 31 2022 From the New York Times bestselling author of *Your Destiny Switch* and the successor to motivational legend Bob Proctor comes a step-by-step guide that makes running a business as easy as 1-2-3—based on the Proctor Gallagher Institute program What if someone told you that . . . ? You don't have to work hard to make a lot of money. You can set any goal you want and make it happen. You can change your whole life in less than 24 hours. You can cut your work time in half and double your income. You can achieve more success than you ever dreamed—and enjoy every single minute of it. It's not impossible. In fact, it's DARN EASY.

If you think it takes long hours of stress-inducing, brain-numbing, back-breaking work to build a successful career or business, this book will change your mind. The simple truth is: once you put your mind to it, you can do just about anything. You can build a business that is not only profitable but sustainable, too. You can take your career to higher and higher levels, grow your profits quarter by quarter, increase your income year after year. And the best part is: you can do it with ease! The secret—according to bestselling author Peggy McColl and motivational expert Brian Proctor—is to find the joy in the work that you do. To be truly successful in business, you need to make an emotional investment in your dream as well as a financial one. This book is a wake-up call that will open your mind, fill your heart, and transform your life with a simple but powerful message: It's not hard to become rich, successful, and happy. It's a choice. And once you make that choice, it's easy. Whether you're growing a business, building a career, or simply trying to make more money, *Darn Easy* offers a proven formula for success. Learn how to:

- Work half as hard and profit twice as much
- Set goals that are achievable, sustainable, and downright enjoyable
- Build a network of good people you like doing business with
- Aim high and be specific—the sky's the limit!
- Let go of negative thoughts and watch positive things begin to happen
- Give yourself time to live your life and embrace your success

You'll discover step-by-step techniques for growing your business, healthier strategies for handling your money, and easier ways to increase your chances for success—along with a few reality checks you might need to cash. You'll also find invaluable tools to put in your personal toolbox, including a goal card, power life script, gratitude journal, accomplishment list, and so much more. There's no reason you can't be rich, successful, and happy. With the right attitude and the right tools, it's not hard at all. It's *Darn Easy*. Peggy McColl is the president and founder of Dynamic Destinies, Inc., and the author of the New York Times bestseller *Your Destiny Switch*. Brian Proctor is the VP of Business Development at the Proctor Gallagher Institute.

**Catch Me Twice** Jun 24 2019 “I had Jake Basson's baby. He left to chase his dream. Now he's back, demanding a second chance he doesn't deserve.” A STANDALONE, SECOND-CHANCE ROMANCE If a man tells you he's no good for you, best heed the warning. I learned the hard way. I had Jake Basson's baby. He left to chase his dream. Now he's back, demanding a second chance, but why should I give him anything after four years of nothing? No correspondence, no news. I finally have my life back on track. Jake has never been uncomplicated. He never follows the rules. I should've known he'd play dirty in his fight to win me back. He caught me once. I'm not going to let him catch me twice. Note: This story contains cheating. HEA guaranteed.

Twice Upon a Time Jul 18 2021 Jack, of the village of Giant's Hand, is now accompanied by a prince as he continues trying to help a reluctant princess find her family, while also attempting to save a city full of fairies from a nameless curse.

**Head First Statistics** Mar 02 2020 A comprehensive introduction to statistics that teaches the fundamentals with real-life scenarios, and covers histograms, quartiles, probability, Bayes' theorem, predictions, approximations, random samples, and related topics.

*Being Twice Exceptional* Nov 09 2020 Twice exceptionality (2e) is not well understood. While many parents, educators, and professionals are working to bridge the knowledge gap and help 2e children, there is still a great deal we do not know about how life turns out for those children once they grow up. How do 2e adults deal with the complex aspects of being an adult? What are your prospects if you are brilliant, but can't get into college? What if you fail at work because you don't know how to fit in socially? This book provides first-hand stories about the experiences of 2e adults, offering compassionate coping strategies for overcoming and rethinking the tough parts. It champions radical acceptance of 2e people and celebrates their unique outlook on the world.

Going Twice Nov 21 2021 From New York Times bestselling author Sharon Sala. Enter the eye of the maelstrom as death and disaster stalk Tornado Alley. As bodies pile up in the wake of a storm—stripped, tortured and grimly posed—authorities must admit the unthinkable. The serial killer dubbed

the Stormchaser has returned following a tornado and taken it upon himself to bring the death toll up to where he believes it belongs. FBI investigator Wade Luckett is back on the case, assisted by an agent Wade knows professionally and personally: his ex-wife, Jo. Neither time nor the tragedy that tore them apart have blunted the ache Wade feels for brave, beautiful Jo. And though she tries to deny it, she feels the same. But the stirrings of renewed romance will have to wait until they catch a killer. The Stormchaser has no intention of getting caught. He's set his sights on a new victim. Jo can forget about the lifetime she dreams of spending with Wade. She'll be lucky to see another day. Previously published. Read the Forces of Nature Trilogy by Sharon Sala: Book One: Going Once Book Two: Going Twice Book Three: Going Gone

*Implementing Lean* Oct 21 2021 Everyone has heard the phrase about doing twice the work in half the time, but instead of focusing only on time, this book focuses on driving increased output with consistently less input. *Implementing Lean: Twice the Output with Half the Input!* teaches readers not only about Lean and its major concepts, but it drives the leader toward implementing a true Lean system. The authors have used the methodologies in this book everywhere from hospitals to service industries to manufacturing plants in order to impact businesses by providing proven principles, techniques, and approaches that yield substantial improvement to any business, small or large, in any sector. Learn about the benefits of implementing Lean in your company as the authors walk you through the major components as well as show you how to implement them. This guide is already being used by Lean Practitioners every day on shop floors to educate and refresh how tools are used in real-world applications.

**Half Upon a Time** May 28 2022 In the village of Giant's Hand Jack's grandfather has been pushing him to find a princess and get married, so when a young lady falls out of the sky wearing a shirt that says "Punk Princess," and she tells Jack that her grandmother, who looks suspiciously like the long-missing Snow White, has been kidnapped, Jack decides to help her.

**Sekiro: Shadows Die Twice Official Artworks** Jun 28 2022 Experience SEKIRO's unique take on the blood-soaked history of Japan's Sengoku Period with over 300 pages of storyboards, character designs, and concept art!

*Twice Shy* Sep 19 2021 Can you find real love when you've always got your head in the clouds? Maybell Parish has always been a dreamer and a hopeless romantic. But living in her own world has long been preferable to dealing with the disappointments of real life. So when Maybell inherits a charming house in the Smokies from her Great-Aunt Violet, she seizes the opportunity to make a fresh start. Yet when she arrives, it seems her troubles have only just begun. Not only is the house falling apart around her, but she isn't the only inheritor: she has to share everything with Wesley Koehler, the groundskeeper who's as grouchy as he is gorgeous--and it turns out he has a very different vision for the property's future. Convincing the taciturn Wesley to stop avoiding her and compromise is a task more formidable than the other dying wishes Great-Aunt Violet left behind. But when Maybell uncovers something unexpectedly sweet beneath Wesley's scowls, and as the two slowly begin to let their guard down, they might learn that sometimes the smallest steps outside one's comfort zone can lead to the greatest rewards.

**Twice the Temptation** May 16 2021 Two unforgettable tales. One dazzling diamond! Summer 1814 . . . When Evangeline Munroe inherits the exquisite but supposedly cursed Nightshade Diamond, she considers it a bit of good fortune. Then she literally runs into Connoll Addison, Marquis of Rawley, the most sought after bachelor amongst the ton. Surely her immediate attraction to the rogue is bad luck. Could the diamond be more dangerous than she ever imagined? Present . . . Samantha Jellicoe thinks it's good luck that has her—a reformed cat burglar—providing security for a museum exhibit. Then she discovers the Nightshade Diamond, with an accompanying note that says the thing is cursed. Cursed indeed! How else to explain Scotland Yard breathing down her neck, the appearance of an ex-boyfriend, and her lover Rick Addison suddenly testing the boundaries of their relationship? She needs to unload the gem and soon, or she may lose her dreams forever.

*The Power of Half* Jun 04 2020 A true story of making a difference: "What does your family stand for? Read this book—it will change your life" (Daniel

H. Pink). It all started when fourteen-year-old Hannah Salwen had a “eureka” moment. Seeing a homeless man in her neighborhood at the same moment when a glistening Mercedes coupe pulled up, she said “You know, Dad, if that man had a less nice car, that man there could have a meal.” Until that day, the Salwens had been caught up like so many of us in the classic American dream—providing a good life for their children, accumulating more and more stuff, doing their part but not really feeling it. So when Hannah was stopped in her tracks by this glaring disparity, her parents knew they had to do something. As a family, they made the extraordinary decision to sell their Atlanta mansion, downsize to a house half its size, and give half of the sale price to a worthy charity. What began as an outlandish scheme became a remarkable journey that transported them across the globe and well out of their comfort zone. In the end they learned that they had the power to change a little corner of the world—and found that it changed them, too. “You feel lighter reading this book, as if the heavy weight of house and car and appliances, the need to collect these things to feel safe as a family, are lifted and replaced by something that makes much more sense.” —Los Angeles Times

**A Scrum Book** Oct 01 2022 Building a successful product usually involves teams of people, and many choose the Scrum approach to aid in creating products that deliver the highest possible value. Implementing Scrum gives teams a collection of powerful ideas they can assemble to fit their needs and meet their goals. The ninety-four patterns contained within are elaborated nuggets of insight into Scrum’s building blocks, how they work, and how to use them. They offer novices a roadmap for starting from scratch, yet they help intermediate practitioners fine-tune or fortify their Scrum implementations. Experienced practitioners can use the patterns and supporting explanations to get a better understanding of how the parts of Scrum complement each other to solve common problems in product development. The patterns are written in the well-known Alexandrian form, whose roots in architecture and design have enjoyed broad application in the software world. The form organizes each pattern so you can navigate directly to organizational design tradeoffs or jump to the solution or rationale that makes the solution work. The patterns flow together naturally through the context sections at their beginning and end. Learn everything you need to know to master and implement Scrum one step at a time—the agile way.

*Think Twice* May 04 2020 From the blockbuster New York Times bestselling author of *Look Again* comes a novel that makes you question the nature of evil: is it born in us or is it bred? Bennie Rosato looks exactly like her identical twin, Alice Connolly, but the darkness in Alice's soul makes them two very different women. Or at least that's what Bennie believes, until she finds herself buried alive at the hands of her twin. Meanwhile, Alice takes over Bennie's life, impersonating her at work and even seducing her boyfriend in order to escape the deadly mess she has made of her own life. But Alice underestimates Bennie and the evil she has unleashed in her twin's psyche, as well as Bennie's determination to stay alive long enough to exact revenge. Bennie must face the twisted truth that she is more like her sister Alice than she could have ever imagined, and by the novel's shocking conclusion, Bennie finds herself engaged in a war she cannot win—with herself.

*The Same River Twice* Sep 27 2019 From the critically acclaimed author of the novel *The Good Brother* and memoir *My Father the Pornographer*, Same River Twice is the second volume from an American literary star. “If you haven't read Chris Offutt, you've missed an accomplished and compelling writer” (Chicago Tribune). At the age of nineteen, Chris Offutt had already been rejected by the army, the Peace Corps, the park rangers, and the police. So he left his home in the Kentucky Appalachians and thumbed his way north—into a series of odd jobs and even stranger encounters with his fellow Americans. Fifteen years later, Offutt finds himself in a place he never thought he'd be: settled down with a pregnant wife. Writing from the banks of the Iowa River, where he came to rest, he intersperses the story of his youthful journeys with that of his journey to fatherhood in a memoir that is uniquely candid, occasionally brutal, and often wonderfully funny. As he reckons with the comforts and terrors of maturity, Offutt finally discovers what is best in life and in himself.

**SUMMARY - Scrum: The Art Of Doing Twice The Work In Half The Time By Jeff Sutherland And J.J. Sutherland** Dec 31 2019 \* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover a revolutionary method to increase productivity in your professional or personal life. You will also discover : why you waste so much time and money in production cycles: design, manufacturing, sales; how to assemble a perfect work team; how to manage your projects from A to Z, as quickly as possible; techniques for meeting your deadlines; how to be always more efficient throughout your projects. Every company is looking to increase its productivity, work efficiently and save money. Yet, as surprising as it may seem, most do not emancipate themselves from the absurd methods invented at the beginning of the 20th century. The most innovative sectors to date, and in particular new technologies, are ahead of the game because they use agile and efficient methods. The Scrum method is one of the most successful. "Scrum: The Art of Doing Twice the Work in Half the Time" teaches you how to implement it in your company - and your daily life. With it, adopt the way of thinking of Silicon Valley's elite! Do you think you can challenge what you've learned? \*Buy now the summary of this book for the modest price of a cup of coffee!

Folding Time Mar 14 2021 As a leader you are not only responsible for your own productivity, but for helping those on your team be as productive as possible, and not just at work, but at home as well. Neen made this book easy to digest and implement the strategies immediately. It's not just a book of theory or unrealistic tips for someone who keeps laminated checklists for their family members. Neen provides nuggets of wisdom and then weaves in the insights from other experts that it is like 10 books rolled into one.--Back cover.

*Twice in a Lifetime* Feb 22 2022 'I simply couldn't put this down. I laughed out loud several times before I'd even finished the first chapter.' Jules Wake, author of *The Spark* and *The Saturday Morning Park Run* Amelia might have met *The One*. But is she twenty years too late? After her husband left her out of the blue, the only relationship 48-year-old Amelia Simpson has enjoyed recently is with Nutella and Pinot Grigio. While her 8-year-old twin boys, Jasper and Rupert, keep her busy, Amelia dreams of a life more than washing muddy rugby kits and weekly chats with best friends Sian and Jamie. Amelia needs some magic back in her life - but magic seems in short supply in her small Welsh town. So when she finds the phone number that was given to her twenty years ago by a handsome stranger in New York, Amelia wonders whether he might be *The One That Got Away*. But when Sian takes matters into her own hands, launching a worldwide hunt to find the handsome stranger Amelia met outside Tiffany's two decades ago, Amelia finds herself on a flight to the Big Apple to reconnect with her 'Perfect Patrick'. But as the two explore the sights of NYC, has Amelia reconnected with *The One*? Or will she discover that the sparkle she was missing is actually closer to home? A gorgeously funny and heart-warming debut romcom for fans of Sophie Randal, Jo Watson and Beth O'Leary. Readers are falling in love with *Twice in a Lifetime*: 'A joyous tale of rediscovering your dreams, love and sense of self. Sheer fun and absolute UpLit!' Pernille Hughes, Author, *Probably the Best Kiss in the World* 'I love this book so much! All I wanted was for it not to end! It's right there on my top romcoms list now.' Natalie Normann, author of *Summer Island* 'Wow, just wow...Right from chapter one I was hooked...It's funny, cute and romantic and that twist...What more can you ask for?' □□□□ Reader Review 'Such a cute read I read it in one sitting. This book had me smiling.' □□□□ Reader Review 'What a fantastic read! I enjoyed the characters in the book and the story line! This was a fun, fast read' □□□□ Reader Review 'This book is a GEM! It's painfully funny, totally real and the twists and turns, oh my goodness gracious!...such a feel good book.' Reader Review 'What an enchanting novel...I certainly laughed out loud numerous times!' □□□□ Reader Review

*The Vanishing Half* Nov 29 2019 #1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES \* THE WASHINGTON POST \* NPR \* PEOPLE \* TIME MAGAZINE\* VANITY FAIR \* GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni

Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal* "A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be...." – *Entertainment Weekly* From The New York Times-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

*What Works for Women at Work* Jan 30 2020 "Based on interviews with 127 successful working women, over half of them women of color, *What Works for Women at Work* presents a toolkit for getting ahead in today's workplace. Distilling over 35 years of research, Williams and Dempsey offer four crisp patterns that affect working women: Prove-It-Again!, the Tightrope, the Maternal Wall, and the Tug of War. Each represents different challenges and requires different strategies--which is why women need to be savvier than men to survive and thrive in high-powered careers." -- Publisher information.

*Life as We Knew it* Aug 07 2020 Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

*Oracle BPM Suite 12c Modeling Patterns* Dec 11 2020 This book is an invaluable resource if you are an Enterprise architect, solution architect, developer, process analyst, or application functional and technical consultant who uses Business Process Management and BPMN to model and implement Enterprise IT applications, SaaS, and cloud applications.

***Twice In A Lifetime*** Aug 19 2021

***Once You're Lucky, Twice You're Good*** Feb 10 2021 Traces the stories of entrepreneurs who rose from the ashes of the dot-com bust to create groundbreaking new Web companies, in an account that documents the success stories of such examples as Facebook, MySpace, and YouTube.

*The River Twice* Oct 09 2020 An impressive new collection from a poet whose previous book was a finalist for both the National Book Award and the National Book Critics Circle Award Taking its title from Heraclitus's most famous fragment, *The River Twice* is an elegiac meditation on impermanence and change. The world presented in these poems is a fluid one in which so much—including space and time, the subterranean realm of dreams, and language itself—seems protean, as the speaker's previously familiar understanding of the self and the larger systems around it gives way. Kathleen Graber's poems wander widely, from the epistolary to the essayistic, shuffling the remarkable and unremarkable flotsam of contemporary life. One thought, one memory, one bit of news flows into the next. Yet, in a century devoted to exponentially increasing speed, *The River Twice* unfolds at the slow pace of a river bend. While the warm light of ideas and things flashes upon the surface, that which endures remains

elusive—something glimpsed only for an instant before it is gone.

*Scrum* Nov 02 2022 For those who believe that there must be a more agile and efficient way for people to get things done, here is a brilliantly discursive, thought-provoking book about the leadership and management process that is changing the way we live. In the future, historians may look back on human progress and draw a sharp line designating “before Scrum” and “after Scrum.” Scrum is that ground-breaking. It already drives most of the world’s top technology companies. And now it’s starting to spread to every domain where leaders wrestle with complex projects. If you’ve ever been startled by how fast the world is changing, Scrum is one of the reasons why. Productivity gains of as much as 1200% have been recorded, and there’s no more lucid - or compelling - explainer of Scrum and its bright promise than Jeff Sutherland, the man who put together the first Scrum team more than twenty years ago. The thorny problem Jeff began tackling back then boils down to this: people are spectacularly bad at doing things with agility and efficiency. Best laid plans go up in smoke. Teams often work at cross purposes to each other. And when the pressure rises, unhappiness soars. Drawing on his experience as a West Point-educated fighter pilot, biometrics expert, early innovator of ATM technology, and V.P. of engineering or CTO at eleven different technology companies, Jeff began challenging those dysfunctional realities, looking for solutions that would have global impact. In this book you’ll journey to Scrum’s front lines where Jeff’s system of deep accountability, team interaction, and constant iterative improvement is, among other feats, bringing the FBI into the 21st century, perfecting the design of an affordable 140 mile per hour/100 mile per gallon car, helping NPR report fast-moving action in the Middle East, changing the way pharmacists interact with patients, reducing poverty in the Third World, and even helping people plan their weddings and accomplish weekend chores. Woven with insights from martial arts, judicial decision making, advanced aerial combat, robotics, and many other disciplines, Scrum is consistently riveting. But the most important reason to read this book is that it may just help you achieve what others consider unachievable - whether it be inventing a trailblazing technology, devising a new system of education, pioneering a way to feed the hungry, or, closer to home, a building a foundation for your family to thrive and prosper.
