[Zen and the Art of Motorcycle Maintenance](#) Feb 01 2020 "The real cycle you're working on is a cycle called 'yourself.'" One of the most important and influential books of the past half-century, Robert M. Pirsig's *Zen and the Art of Motorcycle Maintenance* is a powerful, moving, and penetrating examination of how we live and a meditation on how to live better. The narrative of a father on a summer motorcycle trip across America's Northwest with his young son, it becomes a profound personal and philosophical odyssey into life's fundamental questions. A true modern classic, it remains at once touching and transcendent, resonant with the myriad confusions of existence and the small, essential triumphs that propel us forward.
