Sanathana Sarathi English Volume 05 (2000 to 2010) Mar 04 2020 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAL... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

Civil Society and Democratization in India Jun 30 2022 Developing a distinctive theoretical framework on civil society, this book examines how Non-Governmental Organizations (NGOs) contribute towards democratization in India and what conditions facilitate or inhibit their contribution. It assesses three different kinds of politics within civil society – liberal pluralist, neo-Marxist, and communitarian – which have had different implications in relation to democratization. By making use of in-depth empirical analysis and comparative case studies of three developmental NGOs that work among the tribal communities in the socio-historical context of south Rajasthan, the book shows that civil society is not necessarily a democratizing force, but that it can have contradictory consequences in relation to democratization. It discusses how the democratic effect of civil society is not a result of the "stock of social capital" in the community but is contingent upon the kinds of ideologies and interests that are present or ascendant not just within the institutions of civil society but also within the state. The book delivers new insights on NGOs, democratization, civil society, the state, political society, tribal politics, politics of Hindu Nationalism, international development aid and grassroots social movements in India. It enables readers to understand better the multifaceted nature of civil society, its relationship with the state, and its implications for development and democratization.
