Management Nov 09 2020

*Principles of Management (Collection)* Dec 11 2020 The Truth About Managing People offers real solutions for the make-or-break problems faced by every manager. Readers will discover: how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve hiring and employee evaluations; how to heal layoff survivor sickness; even how to learn charisma.

This isn't someone's opinion; it's a definitive, evidence-based guide to effective management: a set of bedrock principles to rely on throughout an entire management career. *The Rules of Management*: They're surprisingly easy to learn and live by. Now, Richard Templar's brought them all together in one place. Templar covers everything from setting realistic targets to holding effective meetings; finding the right people to inspiring loyalty. Learn when and how to let your people think they know more than you (even if they don't) -- and recognize when they really do. The first edition of *The Rules of Management* became a global phenomenon, topping bestseller charts around the world. This new, even better edition contains 10 brand new rules to take you further, faster. In *Wired to Care*, top business strategist Dev Patnaik tells the story of how organizations of all kinds prosper when they tap into a power each of us already has: empathy, the ability to reach outside of ourselves and connect with other people. When people inside a company develop a shared sense of what's going on in the world, they see new opportunities faster than their competitors. They have the courage to take a risk on something new. And they have the gut-level certitude to stick with an idea that doesn't take off right away. People are *Wired to Care*, and many of the world's best organizations are, too.

Organizational Behavior Nov 21 2021 This best-selling book takes a traditional approach to Organizational Behavior beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

**Essentials of Organizational Behaviour, Global Edition** Jan 30 2020 For courses in organisational behaviour. A streamlined presentation of key organisational behavior concepts *Essentials of Organizational Behavior* teaches students how to communicate and interact within organisations, through real-world scenarios. The text offers comprehensive coverage of key organisational behavior (OB) concepts, making each lesson engaging and easy to absorb. Students can use the book's concepts to apply what they've learned to their own education, future career plans, and other organisational endeavours. Currently used at more than 500 colleges and universities worldwide, *Essentials of Organizational Behavior* serves as a popular resource so students can learn and understand the most important concepts in OB. With updated research and the integration of contemporary global issues, the 14th Edition focuses on the most relevant OB concepts that resonate with students. The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Upon purchase, you'll gain instant access to this eBook. Time limit The eBooks products do not have an expiry date. Offering a three-tier learning system, it focuses on building readers' knowledge, improving their

comprehension and applying concepts directly to skill development. Known for its lively tone and four-color design, it captures the latest in supervision literature and includes cases to invigorate any lecture. This edition includes new information on contingent workforces, entrepreneurship, employee theft, work/life balance, IM, texting, and workplace diversity.

**The Truth About Managing People** Nov 02 2022 In the Third Edition of the bestselling book, *The Truth About Managing People*, bestselling author Stephen Robbins shares even more proven principles for handling virtually every management challenge. Robbins delivers 61 real solutions for the make-or-break problems faced by every manager. Readers will learn how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve your hiring and employee evaluations; how to heal "layoff survivor sickness"; how to manage a diverse culture; and ways to lead effectively in a digital world. New truths include: how to nurture friendly employees, forget about age stereotypes, first impressions count, be a good citizen, techniques for managing a diverse age group, and ethical leadership among others.

*Management* Jan 12 2021 Robbins: bringing management theories to life. We live in dynamic times and a manager's job is continuously reshaped by a wide range of global, environmental and economic factors. Management students must be well prepared to work in modern, ever-changing organisations and teams. The 7th edition of *Management* is once again a resource at the leading edge of thinking and research. By blending theory with stimulating, pertinent case studies and innovative practices, Robbins encourages students to get excited about the possibilities of a career in management. Developing the managerial skills essential for success in business--by understanding and applying management theories--is made easy with fresh new case studies and a completely revised suite of teaching and learning resources available with this text.

**Business.today** Oct 28 2019 Stephen P. Robbins is a best selling author of management and organizational behavior texts. In his new integrative, innovative introduction to business text, *business.today*, he adopts a reader-friendly conversational writing style. This new text is already receiving praise for its integrated emphasis on careers, e-business, technology, ethics, globalization, and other evolving issues. Robbins offers comprehensive coverage of traditional functions of business--marketing, management, accounting, finance, --but with a fresh real world format, covering the functions where it makes sense, just as a business person would encounter them. The innovative approach of *business today* reflects the immense changes that have occurred in business practices. Robbins demonstrates that the new world of business is about identifying opportunities, creating viable strategies, building relationships, and providing quality goods and services.

*Organisational Behavior* Feb 10 2021 Written as an alternative to Robbins' larger Organisational Behaviour text, OB: The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging, 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books - this is not merely a subset of material from Robbin's Organisational Behaviour text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical features that will engage and stimulate your students, OB: The Essentials will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.

*Essentials of Organizational Behavior* Dec 23 2021 For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students.
