Love Among Lavender Jan 03 2020 International Bestselling Author Ava Miles' new family series, The Merriams, is back with a good guy trying to get his bad boy on, a good girl starting a risky perfume venture, and everyone's favorite matchmakers. Beau Masters wants to be a bad boy. All his life, he's been careful to be the good guy country singer, the boy-next-door, who opens doors for ladies and says "aw, shucks, ma'am." But a decades-old secret blows the hinges off the door to his life. Everything he thought he knew has scattered to the wind, leaving him questioning who he really is. So when Caitlyn Merriam asks him to be the celebrity spokesperson for the new perfume she's creating in far-off Provence, he swaps out his white cowboy hat for a black one and packs his bags to get away from the past. Caitlyn didn't expect the gorgeous rockstar to join her in her quaint farmhouse in the French countryside. She figures it will only worsen her crush on him. But as Beau tries to get his bad boy on (rather unsuccessfully, in her opinion), she knows something is wrong and calls in back-up. Uncle Arthur and Aunt Clara might be bent on matchmaking these days, but they know how to straighten someone out, and Caitlyn needs all the help she can get to keep her spokesperson on track. But soon it's not just about business, and they're holding hands and walking the lavender fields together. Until Beau's secret threatens to bring down her new venture and the love blossoming between them. ---- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherry Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Tricia O'Malley, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousins, Portia MacIntosh. Coleridge's Writings: On the Sublime Jan 15 2021 This new volume demonstrates the extent and diversity of Coleridge's writings on the sublime. It highlights the development of his aesthetic of transcendence from an initial emphasis on the infinite progressiveness of humanity, through a fascination with landscape as half-revealing the infinite forces underlying it, and with literature as producing a similar feeling of the inexpressible, to an increasing emphasis on contemplating the ineffable nature of God, as well as the transcendent power of Reason or spiritual insight.

The Chateau Sep 30 2019 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free. Colin and the Gladiators May 07 2020 Another fantastic book of stories about M, the invisible computer-generated emu. In this collection, we meet M's emu girl-friend from Australia, rescuee Kylie, the baby kangaroo, have a custard-pie fight in Hollywood, wing-walk on a biplane and witness a gladiatorial battle in ancient Rome. As expected, in every story in which he appears M never misses a chance to produce his own brand of comical antics.

Coleridge, Schiller and Aesthetic Education Apr 29 2022 This is the first book of its kind to consider at length Coleridge's relationship to his near contemporary, Friedrich Schiller. Contrary to received opinion, the author shows that Schiller's notion of 'aesthetic education' was indeed valuable to Coleridge at an early stage in his career and that it helped to shape much of his work - from his theory of imagination and his notion of the clerisy to his views on women and his account of historical change. Combining close readings with historical research, this book challenges readers to rethink the radical potential of idealist aesthetics.

ICCD-2014 covers all dimensions of intelligent sciences, i.e. Intelligent Computing, Intelligent Communication and Intelligent Devices. This volume covers contributions from Intelligent Computing, areas such as Intelligent and Distributed Computing, Intelligent Grid & Cloud Computing, Internet of Things, Soft Computing and Engineering Applications, Data Mining and Knowledge discovery, Semantic and Web Technology, and Bio-Informatics. Coleridge, Language and the Sublime Jul 21 2021 Traversing the themes of language, terror and representation, this is the first study to engage Coleridge through the sublime, showing him to have a compelling position in an ongoing conversation about finitude. Drawing on close readings of both his poetry and prose, it depicts Coleridge as a thinker of 'the limit' with contemporary force.

Badd Ass Aug 29 2019 I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout "MEDIC!" training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

Colette's France Dec 26 2021 'A biography as sensuously satisfying as a fine French meal. Colette surely would have approved it as much for its aesthetic appeal as for its rare insight and scholarship.' Robyn Davidson Colette's France is the remarkable life story of an extraordinary woman, who was known simply as 'Colette'. This lavishly illustrated biography of the French writer, who was as famous for her novels as for her often controversial life, follows her journey through the landscapes of France where she lived and loved - from a childhood in Burgundy and coming of age in the Belle Epoque Paris, to Provence and St Tropez. Jane Gilmour recounts the varied lives of a sensual, artistic, rebellious woman who lived life on her own terms, from prodigious writer and journalist, risqué performer, lover and seducer, businesswoman, baroness, mother, and finally, grand old lady of letters. Dr Jane Gilmour is an Australian with a personal passion and extensive knowledge of Colette and her life. Jane lived in France for many years where she studied the writer at the Sorbonne and completed her thesis on the writer there. Jane has continued her passion for her subject frequently returning to France to write this book and to visit the regions where Colette lived, loved and worked.

CarolSue and her sister, Louisa, are best friends, but haven't had much in common since CarolSue married Charlie, moved to Atlanta, and swapped shoes covered with Indiana farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. The Deception Oct 31 2019 I've been through hell to get to this place. To wear the perfect white dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and failed. Or maybe I'm still

trapped in hell because the devil is here too. He lurks at my side, plotting terrible ways to make me his. But you can't survive in a house full of lies without learning the art of deception, and once I become a Hale, I'll show them exactly what I've mastered. THE DECEPTION is the third and final book in the twisted Filthy Rich Americans trilogy. It should be read after THE INITIATION and THE OBSESSION.

Where We Come From Feb 13 2021 ONE OF KIRKUS REVIEWS' BEST BOOKS OF THE YEAR "A richly conceived and devastating book about the border." —Houston Chronicle From a distance, the towns along the U.S.-Mexican border have dangerous reputations, and Brownsville is no different. But to twelve-year-old Orly, it's simply where his godmother Nina lives—and where he is being forced to stay the summer after his mother's sudden death. Nina, however, has a secret: she's providing refuge for a young immigrant boy named Daniel, for whom traveling to America has meant trading one set of dangers for another. Separated from the violent human traffickers who brought him across the border and pursued by the authorities, Daniel must stay completely hidden. And Orly's arrival threatens to put them all at risk of exposure. Tackling the crisis of U.S. immigration policy from a deeply human angle, *Where We Come From* explores through an intimate lens the ways that family history shapes us, how secrets can burden us, and how finding compassion and understanding for others can ultimately set us free.

Collaboration and Networking in Education Apr 05 2020 Collaboration and networking have recently come to the fore as major school improvement strategies in a number of countries. A variety of initiatives, from government and other agencies, have encouraged collaboration and led to a lot of practical activity in this area. However, at present there are no texts in education that explore collaboration and networking from both a theoretical and practical perspective. In this book, we aim to provide a theoretical background to educational collaboration, drawing on research and theory in policy studies, psychology and sociology, leading ultimately to a typology of networks. This theoretical base will be tested in the discussion of a number of case studies referring to specific initiatives such as the Federations programme, multi-agency collaboration and Networked Learning Communities. Lessons for practice will be drawn and presented in terms of factors internal and external to the school. The key issue of network leadership will be addressed here as well.
