Dangerous Relationships Mar 26 2022 "A powerful and important book!...Dangerous Relationships could be a life saver."-Susan Forward, Therapist and Author, Men Who Hate Women & The Women Who Love Them and Toxic Parents"I would highly recommend this book to anyone who may be in a violent relationship, or to a relative or close personal friend who has concerns about the safety of someone they love."-Diane P. McGauley, Executive Director, The Family Place, Chair, Texas Council on Family ViolencePossessiveness, insensitivity, and a sudden personality change are all warning signs of a potential abuser. Dangerous Relationships will help readers recognize a potentially violent personality before it's too late. Interweaving real-life stories of four couples, Dr. Noelle Nelson highlights dangerous turning points in relationships and explains how readers can safely diffuse tension between their spouses, lovers, or roommate and protect themselves from abuse.

The Secret Garden of Yanagi Inn Jul 30 2022 Cracked doesn't always mean broken. Grieving her mother's death, Mari Lennox travels to Kyoto, Japan to take photographs of Yanagi Inn for a client. As she explores the inn and its grounds, her camera captures striking images, uncovering layers of mystery shrouding the old resort—including an overgrown, secret garden on a forbidden island. But then eerie weeping no one else in the inn seems to hear starts keeping her awake at night. Despite the warnings of the staff, Mari searches the deep recesses of the old building to discover the source of the ghostly sound, only to realize that her own family's history is tied to the inn, its mysterious, forlorn garden . . . and the secrets it holds.

Art of the Samurai Nov 29 2019 "This extensively illustrated catalogue is published in conjunction with the first comprehensive exhibition devoted to the arts of the samurai, including the finest examples of swords - the spirit of the samurai - as well as sword mountings and fittings, armor and helmets, saddles, textiles, and paintings. The works in the catalogue, drawn from public and private collections in Japan, include 34 officially designated National Treasures and 64 Important Cultural Properties, the largest number ever to be shown together at one time. Dating from the 5th to the early 20th century, these majestic objects offer a complete picture of samurai culture and its unique blend of the martial and the refined." "Many of the greatest Japanese swordsmiths are represented in this volume, from early masters such as Yasuie (12th century) and Tomomitsu (14th century) to the Edo-period smiths Nagasone Kotetsu and Kiyomaro. The blades by these and other masters, cherished as much for their beauty as for their cutting efficiency, were equipped with elaborate hilts and scabbards prized for their exquisite craftsmanship and fine materials such as silk, rayskin, gold, lacquer, and certain alloys unique to Japan. Japanese armor is also fully surveyed, from the rarest iron armor of the Kofun period (5th century) to the inventive ceremonial helmets made toward the end of the age of the samurai." --Book Jacket.

Jerkwater Freight Nov 21 2021 Jerkwater Freight is the realization of nearly a decade of writing. This debut collection of poems, essays, and short stories formally draws together the bulk of my creative writing efforts. While a majority of the work comes from the years 1995-1999, I have included some poems and essays that go back as far as 1990. Other significant sources of material are the two creative writing courses I took at Illinois State University with Jim Elledge, to whom this book is dedicated.

Without his encouragement at a time when my confidence in writing was ebbing, very little of the material in Jerkwater Freight would have been written. Jerkwater Freight is in such a format that it is not designed to be read from cover to cover because it has not been written in that manner. It is a journey through the mind where the destination is not one to be reached quickly. Along the way there are pauses to reflect on the route taken and to pick up boxcars left on sidings up and down the line.

Injeção eletrônica de motocicletas Jun 16 2021 Com linguagem simples, este livro foi desenvolvido com procedimentos passo a passo nas principais marcas para atender os reparadores profissionais e os estudantes da área. A tecnologia estudada está presente na maior parte da frota nacional de motocicletas. O livro apresenta desde os conceitos de injeção eletrônica, componentes, influência da bateria, circuitos principais da unidade, ECM, ferramentas, bomba de combustível até ajuste de marcha lenta e da rotação do motor e válvula FID. são abordados as características do injetor de combustível, as falhas elétricas e mecânicas, os tipos de diagnósticos, bobina de ignição, procedimento para reinicialização da válvula da borboleta de aceleração e manutenção, os tipos de sensores e análises, além do sistema bicombustível e de indução de ar.

Motociclismo Ed. 275 - BMW R 1250 RT Feb 22 2022 A BMW R 1250 RT, que utiliza o renomado motor boxer bicilíndrico da big trail R 1250 GS. Trazemos as primeiras impressões dessa touring alemã que chega como opção para quem quer usar esse motor exclusivamente no asfalto. Também testamos a pequenina NXR 160 Bros, a trail de baixa cilindrada da Honda que utiliza o conjunto mecânico da CG 160 e é pau para toda a obra.

Masamune - His Work, his Fame and his Legacy (PB) Oct 28 2019 It is often said that Masamune was the greatest Japanese swordsmith of all times From a mere technical point of view, it is next to impossible to say if there was one "greatest" swordsmith as the country brought forth so many great master smiths. Each of these masters had a personal approach in producing a perfect sword, and within these elite circles we are not only referring to technical perfection but also to aesthetical considerations. So putting aside the claim to name a "greatest," we can at least say for sure that Masamune is by far the most famous swordsmith of Japan. The aim of this publication is to contribute to the understanding and appreciation of this great master, that is to say by not only presenting his works but also by providing a newly researched and detailed historic overview of his life and the circumstances in the establishment of a new forging tradition. This publication introduces more than 50 of his meibutsu (marked swords). PLEASE SEE LULU.COM FOR THE HARDCOVER COLOR DELUXE EDITION.

Marketing de Guerra May 04 2020 Duas décadas atrás, Al Ries e Jack Trout agitaram o mundo do marketing com o inovador e, hoje, clássico Marketing de Guerra, declarando que "'o marketing é uma guerra em que o concorrente é o inimigo e o cliente é o terreno a ser conquistado'". Hoje, as estratégias de marketing que eles apresentaram continuam sendo válidas e adequada, mais do que nunca. Para comemorar o 20o aniversário desse livro revolucionário, Ries e Trout fazem anotações e expandem seu clássico para a próxima geração de profissionais de marketing. Esta edição especial do best-seller internacional de marketing revela como as empresas de hoje podem obter vantagens contra reais concorrentes, combatendo e enfrentando direta e indiretamente seus opositores. Os autores examinam vinte anos passados de campanhas de marketing, apresentando novas e profundas análises de alguns dos maiores sucessos e fracassos na história do marketing. Ries e Trout explicam como conceber planos de ataques que funcionarão de acordo com a categoria de produtos ou setor de negócios. Eles também mostram: • As estratégias essenciais de marketing que a maioria das empresas — tanto grandes quanto pequenas — deveria saber ao desenvolver um programa de marketing. • Os princípios que devemos conhecer das guerras de marketing ofensiva, defensiva, de flanqueamento e guerrilha. • Reproduções de propagandas de sucesso e não tão bem-sucedidas, com os comentários dos autores sobre por que funcionaram ou fracassaram. • Um follow-up valioso sobre os líderes de mercado. Com esta nova edição de Marketing de Guerra, você desenvolverá todo o seu arsenal para conquistar mais clientes que seus concorrentes — e marchar para a vitória no atual campo de batalha de marketing.

O CÓDIGO DE DEFESA DO CONSUMIDOR E SUA INTERPRETAÇÃO JURISPRUDENCIAL Jan 30 2020 Obra única no direito consumerista, O Código de Defesa do Consumidor e sua interpretação jurisprudencial apresenta proposta inovadora de estudo do tema, por meio da análise das decisões mais relevantes dos Tribunais de Justiça e do STJ a respeito dos assuntos pertinentes ao direito do consumidor, como: cláusula abusiva nos contratos de adesão; contrato de compra e venda de imóvel; compra e venda ? geral e via web/internet; sistema financeiro; cartão de crédito; seguro; serviço de proteção ao crédito; leasing/arrendamento mercantil; consórcio; transporte de passageiros e bagagens; defeito/vício; publicidade enganosa e abusiva/informação adequada; fiança (como serviço); locação; responsabilidade civil; decadência e prescrição; desconsideração da personalidade jurídica; retroatividade; serviços públicos; ônus da prova e sua inversão; antecipação da tutela/concessão de liminar; denunciação da lide; competência; crime de cobrança abusiva; crime de oferta enganosa; crime contra as relações de consumo; crime de ágio; crime contra a economia popular; ação civil pública/ação coletiva/legitimidade ad causam/direitos individuais homogêneos, coletivos e difusos; ação direta de inconstitucionalidade; execução extrajudicial; prestação de contas; e juizado especial. Outro ponto forte da obra é sua organização. As decisões foram agrupas por capítulos, sendo inseridas nos títulos relacionados, quer pelo aspecto mais importante, quer pelo fato de ele ter sido o mais discutido e aprofundado. Para facilitar a consulta, o autor elaborou três tipos de índices: a) por assunto; b) por artigos do CDC e c) pelas demais normas jurídicas citadas. Assim, se o leitor não encontrar a informação pretendida num capítulo específico, poderá obtê-la consultando os índices. Em linguagem simples e acessível, este livro visa orientar o trabalho do operador do Direito em todos os casos do dia a dia profissional relacionados à Lei n. 8.078/90, especialmente na agilização da pesquisa, tão necessária ao trabalho técnico e que, na área do Direito do Consumidor, ainda é rara.

Intelligent Video Event Analysis and Understanding Apr 02 2020 With the vast development of Internet capacity and speed, as well as wide adop- tion of media technologies in people's daily life, a large amount of videos have been surging, and need to be efficiently processed or organized based on interest. The human visual perception system could, without difficulty, interpret and r- ognize thousands of events in videos, despite high level of video object clutters, different types of scene context, variability of motion scales, appearance changes, occlusions and object interactions. For a computer vision system, it has been very challenging to achieve automatic video event understanding for decades. Broadly speaking, those challenges include robust detection of events under - tion clutters, event interpretation under complex scenes, multi-level semantic event inference, putting events in context and multiple cameras, event inference from object interactions, etc. In recent years, steady progress has been made towards better models for video event categorisation and recognition, e. g. , from modelling events with bag of spatial temporal features to discovering event context, from detecting events using a single camera to inferring events through a distributed camera network, and from low-level event feature extraction and description to high-level semantic event classification and recognition. Nowadays, text based video retrieval is widely used by commercial search engines. However, it is still very difficult to retrieve or categorise a specific video segment based on their content in a real multimedia system or in surveillance applications.

Bloomberg Markets Sep 27 2019

The Truth About Death and Dying May 16 2021 “Yasu was simply crazy. But no crazier than the rest of the war.” Rui Umezawa’s first novel weaves in and out of the lives of three generations of the Hayakawa family, starting during World War II in Japan and ending in present-day Toronto. The story is tragic, hilarious, lyrical and universal, tracing the legacy of war and the past on one family’s fortunes and memories. Film director Atom Egoyan says: “This ambitious debut creates a dense world of overlapping events -- from the smallest details of domestic life to the grandest scale of atrocity and horror. Rui Umezawa presents this unique world of cause and effect with a carefully harnessed sense of despair, yearning and beauty.” Maimed physically and emotionally, Shoji Hayakawa leaves the devastation of post-war Japan and moves to the University of Milwaukee to teach physics. His father, Yasujiro, was the doctor in the village of Kitagawa, and an outspoken pacifist in dangerous times. Shoji and his wife Mitsuyo still recall their wartime childhood: bartering for food, evacuation to the countryside, returning to the burnt remains of the cities. Transplanted into suburban America, Mitsuyo’s mother will watch life through the windows, marvelling at how absurdly people act even when they have everything they need: food, water, clothes, and no bombs. Shoji has two sons, Toshi and Kei. Toshi is a gentle boy but sees the world with an abnormal intensity. Objects seem to speak to him. He has to lock himself in a closet to concentrate on his homework, and lies face down in the school corridor with his forehead pressed against the cool linoleum to calm himself. Exuberant but noisy, he is stopped from taking piano lessons. He is an embarrassment to his mother and to his angry brother Kei, who leaves for Canada to build a career as a rock musician. Mitsuyo, so demanding of Kei, considers Toshi insane and never expects anything of him. Yet Toshi, full of imagination, finds humour and wonder in the world. Quill and Quire called The Truth About Death and Dying an extraordinary first novel that “falls somewhere between Thomas Wolfe and Monty Python.” The absurd sense of humour, the unforgettably comic scenes -- such as Yasu emerging naked from the bathroom clutching mushrooms, or dancing in the bomb shelter -- are inextricably entwined with tragic memories. With the dark shadows of Hiroshima and Nagasaki as well as Pearl Harbor always present, this novel examines how our sense of what is normal and what is crazy can be skewed, especially in times of war. Of the passages that take place in wartime Japan, the author says they “owe most of their details to what was told to me by my parents, and to Japanese movies and comic books set during World War II. I grew up with stories of the war and pacifism, both at home and in the Japanese media. My father was never conscripted to fight, because he excelled so much at science and the government felt he would be more useful in a lab than on a battlefield.... My father would often recount, however, having to run and take shelter from bombs while going to university in Nagoya. For the rest of his life, he refused to watch war movies, because the whistling sound of bombs falling frightened him terribly.” “When I think about Japan in relation to the Second World War, more often than not, I’m remembering people who were treated like animals in Japanese POW camps. Or the Chinese who suffered tremendously at the hands of the Japanese military in places like Nanjing or Manchuria.... However, one of the things I think the book illustrates is this: Japanese wartime atrocities were unforgivable, but at the same time, Japanese civilians like my father were suffering too.”

Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

Manga Discourse in Japan Theatre Dec 23 2021 During the Japanese 'bubble' economy of the 1980's, the youth of Japan began to exert unprecedented influence on Japanese culture through their spirited patronage of certain art forms previously deemed subcultural or avant-garde. Among these were manga (Japanese comics or animation) and shogekijo (Japanese little theater). These art forms, while very unlike in the manner in which they were produced and disseminated, can be shown to exhibit a common language: manga discourse. This discourse presents the ludic, image-oriented, and seemingly infantile but simultaneously transhistorical language. The range and meaning of these discursive forms as they are related to changes in the forms of shogekijo in Japan between the 1960's and the 1980's are explored here, using the work of Noda Hideki and his troupe Yume no Yuminsha as example.Founded in the early 70's in the dark recesses of the University of Tokyo, Noda's troupe blossomed into a major

component of the theater boom of the bright leisure-oriented 80's. The question which Noda's theater raises for those who seek to define Japan's modernization in the arts is how something defined as instinctively 'little' could become so big? In line with its predecessors in the avant-garde movements of the 1960's and 70's, the 1980's shogekijo borrowed from popular theater of the pre-modern period, in reaction to the western - and script-oriented shingeki, and from modern comedy in early twentieth century Japan. But unlike its avant-garde predecessors, it eschewed direct political confrontation with the power holders and consciously sought to expand its audiences through capitalistic means. Japanese youth born in the postwar generation could be led to appreciate the anti-shingeki message of shogekijo, Noda predicted, only if it could be put in the playful and fantastic language of manga discourse. In some ways, this counterintuitive movement to youth subculture fulfilled shogekijo's mission to return theater to its Japanese roots and thereby complete the process of a truly Japanese modernization in the arts.

Cycle World Oct 21 2021

Winning Is Not Enough Sep 19 2021 Sir Jackie Stewart is one of the most highly regarded names in global sport - winner of three F1 World Championships, 27 Grands Prix and ranked in the top five drivers of all time. On retiring from the circuit, he went on to build an equally impressive international business career. In the 1960s and into the 70s, with his black cap, sideburns and aviator shades Jackie Stewart was an unmistakable icon in a glorious era of style, glamour and speed. On the track, his story is one of drama, excitement, tragedy, controversy, celebrity, danger and massive success. Beyond the sport his life is a compelling tale of battling against the odds and achieving world-wide recognition as an outstanding sportsman, a role model and a highly accomplished and respected businessman.

Seeing Japan Jun 04 2020 The scenes and images that best typify Japan are showcased in this lavish production - full colour photographs throughout, with a succinct and illuminating text. Part 1 presents the tremendous range of landscapes and customs in the various distinctive regions of this surprisingly large and diverse nation, while Part 2 concentrates on the arts and traditions of culture that has been nurtured over centuries. Part 3 offers essential background on the country's history, language and people.
